

DEAR CUSTOMER,

WHOLESALE MARKET

Welcome to the largest wholesale flower market of Central and Eastern Europe
and among the customers of Flora Hungaria!

We hereby inform you about the operating schedule of the market:

The market has been established to serve resellers, therefore purchase is allowed only with an access card. An access card can be obtained by presenting an original document certifying the creation of the business or a registry court order that presents a business activity related to ornamental plants. We are not in a position to accept a document that can be obtained from a public database that is accessible to everyone.

- **Registration fee: HUF 4,700.** Market use is granted by the access card (topped up with entry units).
- **an access card granting 20 entries costs: HUF 8,700.**
The validity of the access card is three years, which restarts when the card is recharged.
- **an access card granting 150 entries costs: HUF 14,500.**
Valid for 1 year from the date of obtaining the card.
- **One-time entry with an access card with no entry units costs: HUF 2,500.**

Prices include VAT.

The access card can be used from the next day after obtaining it.

It is prohibited to transfer the access card!

It is prohibited to lend the access card or to bring an unauthorized person to the market, the violation of which will give rise to sanctions!

Opening hours of the market for customers:

- On hypermarket days, on Monday and Thursday: 8AM–6PM.
- On priority market days that are announced in advance: 8AM–6PM. Closing time of the market depends on traffic.
- Wednesday, Saturday: 8AM–6PM. Purchase based on prior arrangement with the sellers.
